PROBLEM STATEMENT

Many girls and women in Sierra Leone face violence, harassment and abuse but lack safe and anonymous ways to report and get support. Pink Safe provides a digital platform that connects them to help, resources and a supportive community.

TARGET USERS

- Girls and women
- Survivors of abuse
- Community supports and NGOs
- Counselors and NGOs
- General public and allies
- Scholarship finders

SDG ALIGNMENT

- Good Health & Well-being
Promotes mental health and support for well-being
- Gender Equality
Empowers women and promotes gender equality and safety.
